General Synopsis for Episode #1213A

In this episode of Pets.tv, **Amazing Mini-Horses**, young viewers learn about miniature horses or 'minis' from Maria Arias at the Quick Silver Ranch in Solvang, CA. She states that there is only one breed of miniature horses and they have various color and coats. They are just like regular horses but they only grow to a height of 34 inches. The female minis are more expensive than males because they can have foals. They live to be 25 – 30 years old. The minis are social and friendly animals making them a great pet. Minis are usually not ridden like a regular horse; most are trained to pull carts. Viewers meet Pearl, a miniature horse, and her owner Victoria and learn that minis can be trained to do pet therapy. The audience learns that in the 1600's King Louie the XIV had miniature horses and they became a status symbol. Still true today, many celebrities have miniature horses like former California governor Arnold Schwarzenegger.
